LONG-FORM AGENDA:

1. Call to Order
Before we address the regular business of this meeting, I'd like to acknowledge that we are today gathered on the traditional territory of the Algonquin Anishinaabe, lands never ceded or surrendered in peace to the Crown of Canada. Indigenous peoples living under the modern colonial state of Canada have suffered disproportionate injustice and marginalization. A mere land acknowledgement is not enough to make reconciliation and reparation to the Indigenous peoples of Turtle Island. We must stand in solidarity against colonialism and remember our responsibility to the land and the peoples who have kept it for generations—which means affirming their call for the free and unencumbered return to their ancestral land. It is also fitting, for this body of lawmakers, to remember the spirit and wisdom of Indigenous governance models—from the collaborative bicameralism of the Haudenosaunee Confederacy to the consensus-based government of the Inuit—to deliver to students a better student union.

2. Approval of the Agenda (C-37)
Be it resolved, that the agenda be approved as presented to Council, notwithstanding s. 18 of the Council Rules of Order.
Moved: R. Gill Seconded: E. Okrainec

CARRIED BY UNANIMOUS CONSENT

**Be it resolved**, that the draft Referenda and Recall Policy, designated (X-02), as approved by the CPRC, be adopted; and

**Be it further resolved**, that section 2.5 (j) of the old Bylaw I – Council and s. 1 (inclusive) of the old Bylaw IV – Finances and Fees be declared inoperative per the February 2022 Interpretation Statement.

**Motion to Adopt the *Long-Term Strategic Plan Policy* (C-40/B-51)**

*Whereas*, the CUSA Board adopted this *Policy*, as motion B-49, at their fourth meeting;

*And whereas*, most organizations and student unions of the same size and scope as this organization have and keep a long-term strategic plan, and means for governance and administration thereof;

*And whereas*, the Association should find it valuable to have a *Policy* governing long-term planning, such that this Association may provide to students a consistent quality of service from year to year;

*And whereas* section 3 of the same *Policy* affirms that both the Board and Council are responsible for overseeing the long-term goal-setting and implementation of this Association; therefore

*Be it resolved*, that the *Long-Term Strategic Plan Policy*, designated (O-01/G-09), as approved by the Board, be adopted without amendment; and

*Be it further resolved*, that this *Policy* shall take immediate effect, which shall include the constitution of the Long-Term Strategic Plan Steering Committee.

Motion to Override Certain Judicial Decisions (C-42)

Whereas, this Association has revamped its judicial branch to make it a more effective and procedurally fair body;

And whereas, in a fair judicial system, like cases must be treated alike; and different cases differently;

And whereas, in the seventy-four years that this Association has had a judicial body, many important decisions have been laid down, but also many wrongheaded and detrimental ones;
And whereas, this Association desires that its judicial bodies are both able to draw from a rich body of precedent but not be bound to unjust decisions flagrantly contravening the rule of law and basic procedural fairness; therefore
