## 1. Call to Order

Before we address the regular business of this meeting, I'd like to acknowledge that we are today gathered on the traditional territory of the Algonquin Anishinaabe, lands never ceded or surrendered in peace to the Crown of Canada. Indigenous peoples living under the modern colonial state of Canada have suffered disproportionate injustice and marginalization. A mere land acknowledgement is not enough to make reconciliation and reparation to the Indigenous peoples of Turtle Island. We must stand in solidarity against colonialism and remember our responsibility to the land and the peoples who have kept it for generations—which means affirming their call for the free and unencumbered return to their ancestral land. It is also fitting, for this body of lawmakers, to remember the spirit and wisdom of Indigenous governance models—from the collaborative bicameralism of the Haudenosaunee Confederacy to the consensus-based government of the Inuit—to deliver to students a better student union.
