Motion for CUSA Executive Council to Star in a Chonk Nation Video (EXEC 25/26 - 006)

Whereas, Chonk Nation has become an iconic symbol of school spirit, positivity, and unity within our student community;

And whereas, the people *demand* content, and the people *love* chonks;

And whereas, CUSA Executive's have been able to do exceptionally well on our social media presence over the summer;

And whereas, a short video showcasing our appreciation of Chonk Nation would boost morale, engagement, and perhaps even redefine the very essence of student leadership along with increasing the amount of student volunteers;

Be it resolved that, the CUSA Executive Council officially approves the creation of a short, high-quality, CUSA-endorsed video celebrating Chonk Nation and promoting it;

Be it further resolved that, the CUSA Executive Council star in the video;

Be it further resolved that, the video shall feature tasteful chonk-themed cameos by council members, relevant memes, and the spirit of community in its purest, fluffiest form;

Be it further resolved that, Cass McIsaac will send an email to all councillors requesting their support on our social media videos and coordinate the creation of the videos;

Be it further resolved that, this initiative be completed and shared across CUSA social media platforms as soon as possible to remind everyone that CUSA leads not only with policy, but with chonkers;
