

Results of CUSA General Election - 2026

From date Tuesday, February 3, 2026 9:00 AM

To date Thursday, February 5, 2026 5:01 PM

Number of invitees 23,968
Number of valid responses 2,261
Invitee response rate 9.4%

Notes on preferential voting:

1. Determine if a candidate or 're-open nominations' has greater than 50% of the votes in the first round.
2. If 're-open nominations' does not receive greater than 50% of the votes in the first round, 're-open nominations' is eliminated. These votes are transferred to the next valid choice.
3. Subsequently, in each round if no candidate receives greater than 50% of the votes the last place candidate is eliminated and their ballots transferred to the next valid choice until one candidate receives greater than 50% of the votes.

President:

2 candidates, 1 seat		
Round	Round 1	Round 2
Total ballots	2162	1851
Seats to fill	1	1
Ballots for majority	1082	926
Heroux, Maxwell	956	1008
Singh, Aryan	805	843
Re-open nominations	404	-----

Ballots submitted blank for this seat (abstained): 99

Notes on single transferrable votes:

4. Determine if 're-open nominations' has greater than 50% of the votes in the first round. If not, 're-open nominations' is eliminated. These votes are transferred to the next valid choice.
5. Hare quota and fractional transfer are used throughout the counting process. Hare quota is calculated by dividing total valid votes by number of seats, rounded down to the nearest integer.
6. Because voters may not complete the full list of choices, some votes will be wasted in later rounds. In such cases where the total number of valid votes changes between rounds, the Hare quota will be recalculated.
7. The counting process ends when all seats are full, or the number of candidates still in the race equals the number of unfilled seats. In the latter case, all of the active candidates are elected.

Constituency Representatives:

Faculty of Arts and Social Sciences

Number of invitees: 5250

Number of valid responses: 381
