Prospective Candidate not Verified

The following individual submitted a nomination form as prospective candidate in the 2024 CUSA General Election, but was not able to be verified by the Chief Returning Officer to have met the requirements for candidacy, as set out in the Electoral Code, and therefore have had their candidacy declared cancelled.

Specifically, the prospective candidate had their candidacy declared cancelled because they were unable to meet the requirements of S. 30 of the Electoral Code, with just 5 of their 19 submitted nominators found to be eligible voters in the constituency they were intending to be a candidate in, as verified the Carleton University Registrar's Office.
